

NOLTING

LONGARM QUILTING MACHINES
THE WORKHORSE OF LONGARMS

Flair

NOLTING™

**The same reliable workhorse with industry leading technology
for easier quilting at your fingertips!**

- 20" throat space
- Proprietary stitch regulator that has four amazing stitch modes: regulated, non-regulated, cruise, and baste.
- Dimmable LED lighting
- Front curved handlebars that can rotate for comfortable quilting
- 4.3" front touchscreen that includes a laser to guide your quilting patterns
- L bobbin
- Oil maintenance reminders
- Smooth and lightweight, custom built, individually, by skilled craftsmen at the Nolting Manufacturing facility in Hiawatha, Iowa
