IS TURBO CL Stitch Regulator

Round Foot For Ruler Guides

THE NOLTING DIFFERENCE

Nolting Longarm Quilting machines are *designed, built and serviced from Hiawatha, Iowa*. Our machines support *hobby quilters* and high end *professional quilters* alike. We prioritize *durability and dependability* to keep you quilting on machines that work as hard as you do.

NOLTING

LONGARM QUILTING MACHINES

PRO SERIES

IS TURBO CL

Stitch regulator with needle down button (white) last on/off (red) stitches per inch dial and speed dial. Controls on both front and back of the machine!

LOW MAINTENANCE

Only 1 drop of oil every 8 hours of continuous use. No oil reservoirs or complex places to access.

THREAD PATH

Obvious thread path and tension device help you achieve your desired stitch quality.

12" FLUORESCENT LIGHT

Light the work area perfectly. Switch out and insert a black light when needed.

ADJUSTABLE HANDLES

Fully adjustable front and rear handles can be custom positioned to your individual needs.

HOPPING FOOT ASSEMBLY

Just right for rulers and guides.
